Wow, this is a stunner.

Backing to Open Space and on a secluded "Loop", this 4 bed, 3 bath, massive 3-car garage home features a Gourmet Kitchen, Large Loft and private study. Let the day melt away while sitting next to the cozy fireplace in the large family room, or escape to the spacious master suite and sink into the oversized soaking tub.

Enjoy entertaining in this open concept kitchen and make indoor/outdoor living a reality on the oversized deck just off the kitchen area. Ideal for an office, the quite and secluded study is adorned with custom cabinets and can be used as a main floor bedroom. With surround sound and included wall-mounted speakers, the huge Loft is ideal for a game room, craft area or just second living area.
